

Section 504 Transition Plan Update Carlsbad Municipal Schools

ARC updated the district's Self Assessment in conformance with the requirements of Section 504 of the Rehabilitation Act of 1973 and Title II of the American's with Disabilities Act of 1990 (Public Law 101-336). ARC also assisted the district in and compiling and updating its Transition Plan policies and procedures manual.

ARC conducted a detailed facilities accessibility assessment in 1995 and updated the capital improvement project recommendations in 1997. All district facilities were re-visited in 2002 and records reviewed to determine progress towards accessibility project implementation. Capital improvement project (CIP) recommendations and estimated project costs were updated. A Capital Improvement Project Tracking Manual was also brought up to date.

All data was compiled and presented in printed report form as well as in digital form for the district's continued use.
